

The Stackings

Peppermint Bay Restaurant Wine List

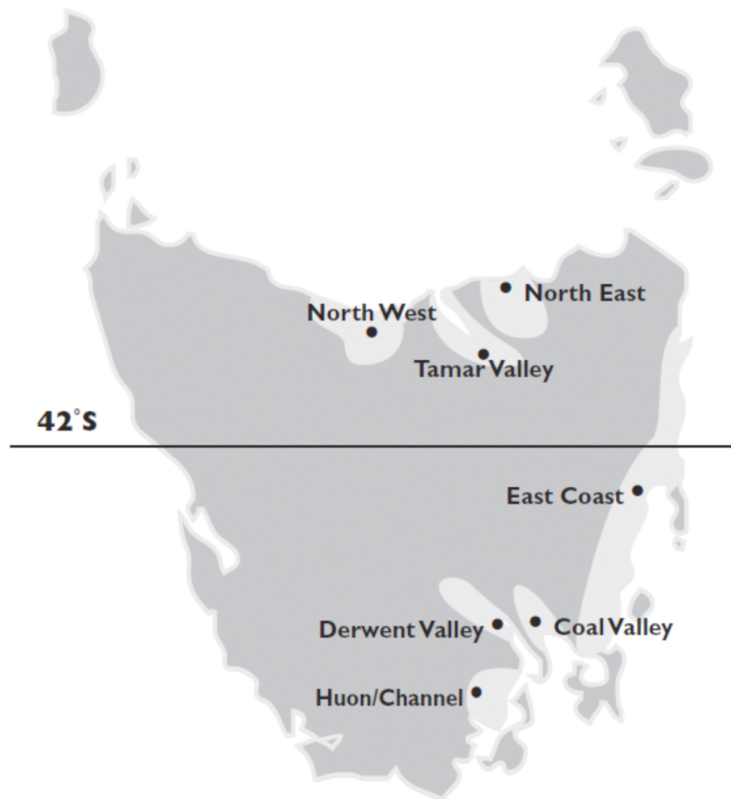

Tasmania offers a superb collection of cool climate wines, equal to the best anywhere in the world. Specialising in sparkling, aromatic and linear whites; and silky, soft and supple reds; this wine list contains the very best that Tasmania has to offer.

Peppermint Bay also realises that sometimes it is healthy to look further afield, and our wine list explores fuller bodied whites and reds from around the globe to satisfy all palates, and to complement the wonderful array of flavours and textures offered by our world-class kitchen.

If you need help in selecting the right wine for the right food, do not hesitate to ask the staff, as they are keen to ensure you have a seamless dining experience in one of the most unique locations in the world.
